

Roxy Music - Dance Away

Verse 1:

C Am
Yesterday - well it seemed so cool
F G
When I walked you home, kissed goodnight
F G
I said it's love you said all right
C Am
It's funny how I could never cry
F G
Until tonight and you pass by
F G
Hand in hand with another guy
F G
You're dressed to kill and guess who's dying?

Chorus:

C Am
Dance away the heartache
F G
Dance away the tears
C Am
Dance away the heartache
F G
Dance away the tears

Verse 2:

C Am
Loneliness is a crowded room
F G
Full of open hearts turned to stone
F G
All together all alone
C Am
All at once my whole world had changed
F G
Now I'm in the dark, off the wall
F G
Let the strobe light up them all
F G
I close my eyes and dance till dawn

Repeat Chorus

Verse 3:

C Am
Now I know I must walk the line
F G
Until I find an open door
F G
Off the street on to the floor
C Am
There was I - many times a fool
F G
I hope and pray, but not too much
F G
Out of reach is out of touch
F G
All the way is far enough

Repeat Chorus
